**PR & media maven extraordinaire:** Lynn Colwell (mom)

Lynn Colwell is Corey’s mom, business partner and strongest supporter. Prior to joining Corey in the Green Halloween effort, she was a life coach with clients across the U.S. and in Canada. She was a freelance writer for more than 20 years and wrote the only authorized biography of Erma Bombeck, as well as hundreds of articles for publications including *Reader’s Digest*, *Family Circle* and *Mothering*.

Lynn worked in PR and corporate communications for several companies in the health and manufacturing sectors. She has been married to the same man for more than 40 years and her proudest accomplishments are her marriage and the safe ushering of her three children into adulthood where they are all flourishing. She’s an avid crafter, with a preference for making things out of items most people toss. She’s also known as a bit of a penny pincher.

She likes to say that her friends used to call her “cheap.” Now they call her “green.”
